The HHU blogfarm – where the Anglophone Literary Studies Blog is hosted

The screenshot displays the HHU blogfarm website. At the top, there is a navigation bar with links for 'Aktuelles', 'Über die Blogfarm', 'Liste der Blogs', and 'Datenschutzerklärung'. The main header features a portrait of a man and the text 'blogfarm der philosophischen fakultät der hhu düsseldorf'. A search bar is located in the top right corner. Below the header, there are links for 'Artikel (RSS)' and 'Kommentare (RSS)'. The main content area shows a post titled 'Suchmaschinenoptimierung' dated '18 May 2017'. The post text discusses the installation of the Yoast SEO plugin. Below the text are social media icons for Facebook, Twitter, Email, and a plus sign. A comment section at the bottom indicates 'Keine Kommentare'. On the right side, there is a sidebar with a section titled 'Über die Blogfarm' and another titled 'Aktualisierte Blogs' listing 'NEWS AUS DER SPRACHPRAXIS ITALIENISCH' and 'Protolang 7'.
